Wilmington, DE 19808

38016 Fenwick Blvd. Unit 3
Selbyville, DE 19975

Directions for Measuring (Blinds and Shades?) Aluminum Blinds, Wood Blinds, Pleated & Cellular Shades

For Inside Mount

Using a steel tape, measure the window's width in three different places (inches) – across the top, in the middle, and across the bottom.

Once measured, use the narrowest measurement of the three and fill in chart.
